Shootout Recap

Another year of The Shootout to determine The Stagecoach Champion started on #15. The tricky Par 3 over water claimed several victims to a watery demise. Of the 20 teams that started, all Birdies & Pars were safe but those who made Bogey (4) went to a chip-off. We eliminated 8 teams to advance to #16!

#16 saw the field reduced in half from 12 to 6. This time only those that made birdies were safe and those who made Par had to chip-off. 5 teams entered the chip-off and the furthest was eliminated. The Final 6 advanced to #17. **Joel Peace & Trevor Mosby** would advance out of this chip-off, just as they did on #15!

On #17 we took the field to the Final 3. Two teams made Bogey and were eliminated. Two teams made Birdie and advanced. The chip-off between the teams of Martin / Burchett & Mickelson / Mickelson was on to determine who would advance to the Final 3. Ryan Burchett chipped first and hit a great shot to 6". Brad Mickelson's response rattled the flag but spun to 2 feet and Martin / Burchett advanced!

The Final 3 Teams made it to #18. As it always does, #18 played tough and claimed the team of **John Muro & Chris Miller**. John & Chris were eliminated but should be proud of finishing in 3rd Place! Congratulations John & Chris!

Our Final 2 Teams had some history to it. Both ***Joel Peace & Ryan Burchett*** had worked for *Tiffany Greens* over the years. Both ran carts, picked the range and worked the Golf Shop and now both of them would be facing off for **The 2021 Stagecoach Title** with their partners Trevor Mosby & Mike Martin, respectively.

After finding the Native Grass off the tee, the team of ***Joel & Trevor*** were able to pitch out and put their shot onto the green in 3 with a good look at birdie. Mike & Ryan played safe and had a birdie putt of their own just inside their opponents. Both putts just missed and unlike the other holes there would be no chip-off, back to #1 tee they went. The story was flipped on attempt number two, the tee ball of Martin & Burchett found the hazard and they were only able to get a 40-footer for Par. Joel & Trevor, meanwhile, found the fairway, laid up by the green and chipped it to 10 feet. Joel's birdie putt settled by the edge of the hole after Ryan's long par attempt missed and the putt was conceded. Great playing ***Mike & Ryan!***

**Congratulations to your
2021 Stagecoach Champions
Joel Peace & Trevor Mosby!**
