Shootout Recap

The **2022 Stagecoach Shootout** started on #15! 20 Teams started on the Par 3 over water and the water claimed multiple teams from the start! Of the 20 teams, all Pars & Birdies were SAFE and there was a chip-off with a Bogey (4). We eliminated 8 teams & 12 advanced to #16!

#16 saw the field cut in half. We started with 12 & 6 advanced. All Birdies & Pars were SAFE again and no chip-off was needed! The Final 6 advanced to #17!

On #17 the field would be cut down to the FINAL 3 with all 3 teams advancing cashing in The Calcutta payout! Pars were NOT SAFE on #17 unlike the previous holes. With a NET BIRDIE, the team of Warren Weaver & Alan Geiss were SAFE and advanced to #18. There was a 3 for 2 Chip-Off with the teams of ***Randy & Jerry Eilers, Quinn Boyle & Taylor Lindsey and Zach VanDolah & Sheldon Smith*** all chipping from below the bunker to the flag. ***Eilers / Eilers & Boyle / Lindsey*** advanced! The Final 3 was set!

#18 was no slouch again in 2022. With all three teams to get a stroke, the tee ball of ***Weaver / Geiss*** found trouble. With ***Eilers & Eilers and Boyle & Lindsey*** safe, the team of ***Warren Weaver & Alan Geiss*** was eliminated. Congratulations gentlemen on your 3rd Place Finish! Great playing!

Our Final 2 Teams were from Flight #1 (Martin Financial Group) & Flight #7 (Good Times Auto Body). The tee shots on #1 took some time as the Team of ***Boyle / Lindsey*** hit the Power Lines not ONCE but TWICE! Anytime a ball strikes the POWER LINES OR POWER POLE it must be replayed! Third time did not find the lines but did find the water! ***Eilers / Eilers*** mean while took the traditional route and played down the first fairway. The water on #1 claimed 2 balls from the Eilers Team after their drive and after a shot to 3 feet for a Par by Quinn Boyle, the Championship Hole was conceded. Your 2022 Champions were ***Quinn Boyle & Taylor Lindsey!***

Randy Eilers & Jerry Eilers are your 2022 Stagecoach Runners-Up! Kudos Gentlemen!
